Description of Activities

Complete the P.M.I. - A P.M.I looks at the positive, the negative and the interesting features of the learning completed.

Positives

Minuses

Interestings

Signed by Parent/Caregiver \_\_\_\_\_

Unlimited is a learning base, as such learning happens best where it needs to be happening, the museum, Hagley Park or at home. If a student is not learning at Unlimited for the day and they are not sick, they need to fill in a Off-Site Learning form to outline their learning for that day. Off-site learning days can be spontaneous, or they may be the same day each week. Sometimes an OSLD will be designated by the school. It is the role of the Learning Advisor to collate and check that OSLD forms are being done. All OSL forms are to be kept and filed so that they can be checked off against absences if needs be.
